### ORDER

Anti Sea Erosion works are of prime importance to Government considering their role in protecting life and property of public, especially that of poorer sections. Hon'ble Chief Minister had announced very ambitious plan for undertaking these works for comprehensive protection along the entire Kerala coast during the term of this Government. ₹1500 crore was earmarked for the first year out of which Government have already commenced work in Chellanam. An MoU was signed with NCCR for obtaining design and other technical inputs as suitable for each stretch facing shore damage. Technical particulars are also to be obtained from Hydrographic Survey Wing under Government of Kerala. Being mainly funded by KIIFB, time bound completion of works requires liaison and coordination with them also.

In this circumstances, in order to prepare a time plan for the entire work and for effective coordination with NCCR and other stakeholders, Government are pleased to designate **Sri Sunil Raj, Superintending Engineer, Irrigation South Circle, Thiruvananthapuram** as Nodal Officer for effective co-ordination with NCCR and other stake holders in respect of ASE works in Irrigation Department.

Sri Sunil Raj, Superintending Engineer will undertake all activities towards timely completion of ASE works as announced by Government as well as monitor and assess progress of the projects.

He is also authorized to take up communications directly with

Government in this matter, if found very urgent.

(By order of the Governor)  
DEEPA N.C  
DEPUTY SECRETARY

To:

The Chief Engineer, Irrigation & Administration, Thiruvananthapuram.  
Sri Sunil Raj, Superintending Engineer, Irrigation South Circle,  
Thiruvananthapuram
