Sub: - Formation of Mission Directorate/PMU for the proposed Resilient Kerala
PforR Additional Financing Programme –reg

Ref: - 1) G.O.(Ms)No.12/2023/WRD dated 16/02/2023
2) Meeting convened on 08/05/2023 of Secretary, WRD

Rebuild Kerala Initiative is in the last leg of finalisation of an Additional Financing (AF) of USD 215 million under Pfor R from World Bank focusing on the interventions in the coastal Protection works, river and flood management activities.

To plan, coordinate and implement the activities under the original pfor R and AF programme and ADB project now under consideration setting up of Programme management Committee and the Mission Directorate/PIU is critical. Accordingly, as per ref (1) Government has accorded sanction for the formation of Mission Directorate/PMU for the proposed Resilient Kerala PforR Additional Financing Programme.

The technical wing of the Mission Directorate will be responsible for planning, design, implementation monitoring and reporting the various projects under the Additional Financing Programme. The technical wing shall consist of a Core team of Engineers and staff drawn from WRD and HED. The core team will be supported by Sector Specialists provided by RKI, Project management consultants, and national/international technical institutions. The Core team from WRD shall consist of

- (a) 1 Executive Engineer, and
- (b) 6 Assistant Executive Engineers

The officers shall have extensive knowledge on hydrology, river engineering, flood forecasting, planning and design, coastal erosion management. Mode of selection will be through interview so as to understand the interest of the applicant.

Applications are invited from the interested candidates for the above positions in the Mission Directorate. If you meet the requirements for any of these positions, we encourage you to submit your application through the official channels by the stated deadline.

Last date of receipt of application : On or before 24 /05/2023

Sincerely,

CHIEF ENGINEER
(Full Additional charge)
